God is the Creator and Judge of the whole universe. He is an infinite being, dwelling outside time, in eternity. He is the reason that we are alive. However because we are sinners, our lives are stained by sin and our relationship with God is broken. This is because we serve ourselves rather than God. Sin is a constraining power that enslaves us, destroys us and condemns us. Jesus died to save us from our sins. Forgiveness is only found in Jesus

GOD' S OWN SON.

Jesus died so that "Whosoever believes in Him shall not perish, but have everlasting life." John 3:16

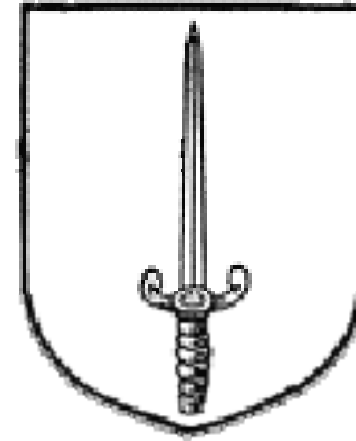

If we treat the death of God's own Son as nothing, then God will judge, sentence and punish us in "the lake of fire." Revelation 20:15.

"God did not send His Son into the world to condemn the world, but that the world might be saved through Him." John 3:17.

If you repent (turn away) and renounce your sins, if you ask God to forgive you and give your whole life to Him, He will set you FREE!

"He who the Son sets free is free indeed." John 8:36

Free to know, worship and serve the Lord God who made you, now and for all eternity.
